Ofsted Reg: EY242933

SUPERVISION OF VISITORS POLICY

At Queens Park Montessori Day Nursery we take all reasonable steps to ensure the safety of the children in our care. This includes making sure any visitors to the nursery are properly identified and supervised at all times.

All visitors must sign the visitors' book on arrival and departure.

Visitors may include prospective parent/carers, other professionals e.g. local authority workers, Ofsted inspectors, people in the community that may come to talk to the children e.g. librarians, contractors to complete work, deliveries etc.

Where applicable, we ask visitors to book in advance, so arrangements can be made to accompany them. Identity is checked of any visitors attending in a professional capacity e.g. Ofsted inspectors, speech and language therapists.

A member of staff must accompany visitors in the nursery at all times while in the building; at no time should a visitor be left alone with a child unless under specific circumstances arranged previously with the manager.

All visitors are informed of any relevant policies including, mobile phone, camera and other recording devices policy including use of smartwatches.

Security of premises

- Staff must check the identity of any visitors they do not recognise before allowing them into the main nursery. Visitors to the nursery must be recorded in the Visitors' Book and accompanied by a member of staff at all times while in the building
- All external doors must be kept locked at all times and external gates closed. All internal safety gates must be kept closed to ensure children are not able to leave the nursery unattended
- Staff, parents, visitors and students are reminded not to hold doors open or allow entry to any person, whether they know this person or not. Staff within the nursery should be the only people allowing external visitors and parents entry to the nursery

The nursery will under no circumstances tolerate any form of harassment from third parties, including visitors, towards others, including children, staff members and parents. The police may be called in these circumstances.
